Safe Church Policy Concerning Abuse Prevention

STATEMENT OF PURPOSE

Trinity Christian United Church of Christ, Skippack, strives to provide a God-focused, Christ-centered environment. As part of our mission we are committed to fostering a safe, secure gathering of Christians who recognize that vulnerable populations need to be properly cared for and protected. We can accomplish this end by adhering to the set of policies and procedures regarding sexual misconduct and other forms of harassment as outlined in this manual. Such a safe environment is essential for children, youth, and adults, and we strive to protect the members and friends of our congregation. Not every situation can be anticipated. However, by adhering to the policies outlined herein and providing opportunities to raise awareness and guide our actions, we can achieve this intended purpose and reduce risk.

Trinity Christian United Church of Christ will adhere to the current state and local laws in effect at the time. (Please see the Appendix, Exhibit 1, for internet links regarding current State Laws particularly pertinent to Child Abuse regulations)

Based on action agreed upon at the Annual Congregational meeting on February 12, 2017, we attest this document was accepted as an official policy of Trinity Christian UCC Skippack.

Safe Church Policy Concerning Abuse Prevention

Policy Prohibiting Abuse, Exploitation and Harassment

As a community of Christian faith, Trinity Christian United Church of Christ is committed to creating and maintaining programs, facilities and a community in which members, friends, staff and volunteers can worship, learn and work together in an atmosphere free from all forms of discrimination, harassment, exploitation or intimidation. All persons associated with Trinity Christian United Church of Christ should be aware that the church is strongly opposed to Sexual Exploitation and Sexual Harassment and that such behavior is prohibited by church policy. It is the intention of the church to take action in an attempt to prevent and correct behavior that is contrary to this policy and, if necessary, to discipline those persons who violate this policy.

Ministerial Conduct

Consistent with our understanding of the priesthood of all believers, all Authorized Ministers, employees, elected and appointed lay leaders, and authorized volunteers are Ministers to the congregation.

It is important that every Minister to the church be adequately prepared and educated for the ministry in which they serve others, and to understand the ways in which their use or misuse of authority may impact others.

It is the policy of Trinity Christian United Church of Christ to encourage its Ministers to nurture safety within Ministerial Relationships by being attentive to self-care, education, maintaining appropriate boundaries, and the importance of referring those in need to supportive and helpful resources.

Sexual Exploitation or Sexual Harassment of parishioners or others by anyone engaged in ministry on behalf of Trinity Christian United Church of Christ is unethical behavior and will not be tolerated within this congregation.

Requirements for Commencing and Continuing Ministry

- Before beginning their duties, all Ministers will submit disclosure information as outlined in Exhibits E and F.
- Before beginning their duties, all Ministers will be personally interviewed to assess the suitability of their character and qualifications for the position they seek.

- The church will conduct a registered sex offender review for each Minister by searching their name on the Department of Justice website at www.nsopr.gov. This registered sex offender review will be repeated on an annual basis for all Ministers.
- Authorized Ministers of the church will attend all boundary workshops required by the Pennsylvania Southeast Conference of the United Church of Christ, or will attend at least one workshop on this topic every three years, whichever is more frequent

RECRUITMENT POLICY FOR INDIVIDUALS WORKING WITH MINORS

Recruiting Children/Youth Ministry Staff:

Our congregation welcomes volunteers who have been an active part of our congregation for a minimum of six (6) months to become involved with Educational and Youth Programs at various levels of commitment. Prior to participation with Educational and Youth Programs, each applicant shall receive the following screening depending on level of commitment:

Background Check Requirements – Pennsylvania’s Child Protective Services Law:

Pennsylvania’s amended Child Protective Services Law states that all individuals who may have “direct contact with children” to be Mandatory Reporters of suspected child abuse. The amended Law requires all Mandatory Reporters to obtain Pennsylvania State Police **criminal background check** and **child abuse history clearances**, currently once every 60 months. If the individual has lived in the Commonwealth of Pennsylvania continuously for at least the past 10 years, the person is required to sign the **Disclosure Statement Application for Volunteers**. For those mandatory reporters that have not lived in the Commonwealth of Pennsylvania continuously for at least the past 10 years will also be required to obtain an **FBI criminal background check clearance**, which includes fingerprinting. If a mandatory provider has obtained these required clearances for another organization, they may simply furnish copies to Trinity Christian United Church of Christ. (**Please see the Appendix for the Current PA State Laws, Mandated Reporting Procedures, and for all required forms.**)

Paid staff members who work with minors in fulfilling their duties for the church are also required to conform to Pennsylvania’s amended Child Protective Services Law. The amended Law requires such employees, who also are Mandatory Reporters, to obtain Pennsylvania State Police **criminal background check** and **child abuse history clearances**, currently once every 60 months. They also must obtain an **FBI criminal background check clearance**, which includes fingerprinting. Finally, these individuals must complete the three hour Mandated Reporter Training available through www.reportabusepa.pitt.edu.

The Consistory and Church Leadership reserves the right to suspend the participation in youth programs of any person suspected of committing an act of sexual or other inappropriate misconduct until the allegations of such misconduct have been fully investigated and referred to the Response Team.

Any person known to have committed a previous act of sexual or other inappropriate misconduct with children or youth shall be strictly prohibited from participating with Trinity Christian’s Educational and Youth Programs.

All applicants are required to read and agree to abide by all Trinity Christian United Church of Christ Children/Youth Ministry Policies and Procedures herein. Signature upon the appropriate Screening Application or Staff/Volunteer Acknowledgement denotes a willingness to remain in compliance with Trinity Christian United Church of Christ's safety policies and procedures or their successors.

All volunteers who regularly work with minors must complete and submit disclosure documents as required by Pennsylvania state law (see Exhibit B, C, and D in the Appendix). This documentation must be complete and fully submitted before the individual is permitted to start their voluntary role.

Before beginning their duties, all prospective employees who work with minors in the church must undergo a background check, including but not necessarily limited to inquiries of references and a criminal history verification by a third-party vendor in accordance with Pennsylvania state law as summarized in the appendix to this manual. (See exhibits D and E.) Special note: If there is an urgent need for employment to begin before the individual has sufficient time to get all clearances completed, Pennsylvania Law allows submission of a special disclaimer form which can be submitted in the meantime, allowing a 90-day extension for new hires, provided that the individual not work with minors during that time period. (See exhibit F)

It is the policy of this church to provide adequate supervision and safeguards for youth activities. In situations where participants are not readily visible to each other, there will be no fewer than two adults present with children. Youth over the age of 12 may assist an adult in supervising children and youth activities; however, such assistance does not alter the requirement that at least two adults be present.

All volunteers and employees who work with minors must be fully acquainted with the content of this Policy and Procedures Manual. After reading the content, an acknowledgment form must be signed to attest to this fact. (See exhibit L in the appendix.) In particular, the obligations of a mandatory reporter are summarized in exhibit M.

Requirements for Outside, Non-church Groups Using the Facilities of Trinity Christian United Church of Christ

Trinity Christian United Church of Christ welcomes the opportunity for outside groups to make use of our church property for their meetings or special events. When such groups approach Trinity Christian to make such arrangements, the following policies are required:

- Notification of such requests must be forwarded to both the Property Committee and the individual designated by the Trinity Christian Consistory who oversees compliance with Pennsylvania state clearance laws.
- Groups providing programming which involves minors must provide, in writing, a statement that confirms that all of their adult leaders meet the requirements set forth by Pennsylvania state law for adults who work with minors. Under normal circumstances, such documentation must be put on file in the church office at least two weeks before the group's activity begins. (See Exhibit G in the appendix)
- Groups providing programming for adults only must provide, in writing, a statement that confirms that no minors will be participants in their program and that no minors will be present during the activities. Under normal circumstances, such documentation must be put on file in the church office at least two weeks before their activity begins. (See Exhibit G in the appendix)
- The individual designated by the Trinity Christian Consistory who oversees compliance with Pennsylvania state clearance laws will inform the Property Committee when the group making the request has provided the required documentation referred to above, before final approval may be granted for their request.
- Requests for weddings and/or wedding receptions, funerals or funeral receptions, and family events do not require submission of the above-described documentation. Property Committee can grant or deny permission regarding the use of Trinity Christian facilities without necessarily contacting the individual designated by the Trinity Christian Consistory who oversees compliance with Pennsylvania state clearance laws.

CODE OF BEHAVIOR

CHILDREN/YOUTH MINISTRY STAFF

Volunteers who have taken active part in the life of the congregation for at least **six months** may be invited to become involved with Educational and Youth Programs at various levels of commitment. During this time, those planning to be directly involved in the life of the congregation shall accept the intentions provided by the following code of behavior.

The Two Adult Rules: The children and youth in both the Educational and Youth Fellowship Program of our congregation shall be under the care or supervision of two adults. An exception would exist if classes/groups are so constructed as to provide constant visual access and frequent observation by the Pastor, Christian Ed Director, VBS Director, Choir Directors, or their designee(s). Furthermore, no teacher, advisor, aide or anyone else working with our children or youth should place themselves in a compromising situation by being alone with a child or with children out-of-sight of other teachers, advisors, aides, or parents.

Specific Guidelines for Adult Supervision: Adult leaders for a youth ministry activity, function as representatives of the church, and as such are held to different standards than when acting as a parent or adult in their own family. The rules and guidelines of the church must be followed by all leaders at all events, thereby providing appropriate supervision for the youth. Illegalities and irresponsibility cannot be allowed. Supervision must be consistent, reasonable and prudent.

Adults are encouraged to remember that they will be providing both supervision and models of adult Christian behavior for the youth in their care, and should endeavor to see that the example they set is consistent with the value and expectation of the church community.

Three Year Separation Rule: When utilizing high school and young adults in the Educational Department, Youth Programs and Off-sight Activities there shall be a three-year separation between these young persons and those they supervise.

Parental Consent: Those youth under 18 years of age working with children and youth shall have signed, written consent of a parent or guardian before attending, chaperoning or supervising activities or programs away from our facilities.

Discipline: The purpose of discipline with children and youth is to maintain order in a manner consistent with the teaching of religious responsibility, respect and cooperation. No child shall be disciplined by the use of spanking, hitting, slapping, or any form of physical punishment. Verbal reprimands shall not include destructive criticism, insult or shouting. Teachers, advisors, aides and others helping in the classroom are encouraged to listen to the child, communicate expectations of appropriate behavior, use timeouts or give alternate choices.

Overnight Rule: Any and all adult chaperones supervising overnight stays at our facilities or on congregational sponsored trips shall have submitted all clearance information as required by Pennsylvania state law. At least two adult males will dorm with boys and two adult females with girls. Further, a signed written consent form is required which lists the names of advisors to be present. Last

minute substitute or additional advisors are permissible as long as parental permission of child/youth participants is secured (either signed or witnessed phone contact). (See Exhibit H in the Appendix)

Youth Group Activities: Physical contact such as wrestling, horseplay or other high contact games are not appropriate recreational activity. No adult leader, staff or volunteer should initiate or encourage physical or intimate contact with children or youth. Setting boundaries is the responsibility of the adults. The Youth Group is a group ministry. All participants are expected to remain with the group throughout the times listed in congregation publications. No pairing or otherwise separating off from the group to other parts of the building or grounds is permitted.

Leaving and Locking: At least two adult leaders must be present until the final youth or child is picked up by parents at the end of the activity. **Parents are encouraged to respect concluding times.**

Drugs, Tobacco, Alcohol: The use of any drugs, tobacco or alcoholic products at congregation facilities or congregation sponsored youth events is not permitted.

Transportation: Staff and adult leaders or teachers cannot transport children or youth between congregation facility and home except with permission. Transportation for field trips, or to church activities and events will be by groups to and from the congregation facility. All approved vehicles will travel as a caravan and will be supplied with a listing of each person occupying each vehicle. Cell phones will be in each vehicle along with cell phone (or home phone numbers) for communication. No youth group member is permitted to be a designated driver for any youth group events.

Parental Guidelines: Parents must know at all times where their children are, who they are with, and what they are doing. It is strongly encouraged that children 10 or under do not play in unsupervised areas.

Reporting Responsibilities: Any inappropriate conduct or relationship between an adult worker and a child or youth or any suspected violation of this code shall be promptly reported according to this policy reporting procedures. Mandated reporters must make an immediate and direct report of suspected child abuse to Childline either electronically at www.compass.state.pa.us/cwis or by calling **1-800-932-0313**.

Medical Release Form: At the beginning of each program year (September 1 through August 31), parents/guardians of minors participating on events held in locations other than the church property will be asked to complete a Medical Release Form (Exhibit I in the Appendix). A copy of the completed forms will remain on file in the church offices; the originals will travel with the leaders of the event anytime they leave the church premises. A **Standard Medical Information Sheet** (Exhibit J) is required each program year for all children participating in events held at the church property.

Youth Group Covenant: At the beginning of each program year, all members of the Youth Group and their parents/guardians will be asked to sign the Youth Group Covenant (Exhibit K). These forms will remain on file in the church office.

Off Premises Events: Trip Permission Slips (Exhibit H) must be signed by a parent/guardian and must accompany the Youth Group along with copies of the Medical Release Form (Exhibit I) on all off-premises events or activities.

Emergency Contact Requirement: All program leaders shall obtain/maintain emergency contact information for all children/youth who participate in their program.

Building Safety/Security: The Property Committee shall design and maintain procedures related to building use that upholds the intent of this policy.

Photo Release: Photographs of minors engaged in activities at Trinity Christian United Church of Christ may be released by the church only with written permission by the parent or guardian. Such photographs could potentially be used for such purposes as publicity, illustration, advertising, or Web Content. (See Exhibit N in the Appendix)

REPORTING PROCEDURES

Procedure for handling suspected Child Abuse.

Mandated reporters must make an immediate and direct report of suspected child abuse to Childline either electronically at www.compass.state.pa.us/cwis or by calling 1-800-932-0313.

Procedures for Handling Complaints of Sexual Exploitation or Harassment

I. Generally

A. A subcommittee with no less than two members, one male and one female, will be established by Consistory in January of each year in preparation for the possibility of hearing complaints under this policy. The subcommittee, hereinafter referred to as “The Response Team,” will be familiar with the terms of this policy, as well as the established procedures of the church for dealing with a complaint.

B. Several approaches may be taken in addressing incidents of alleged sexual exploitation or harassment:

1. The complainant can attempt to resolve the matter directly with the respondent, the individual accused of sexual exploitation or harassment.

2. The complainant can report the incident to the Pastor, in an effort to resolve the matter informally.

3. If an informal resolution of the complaint does not seem wise, appropriate, possible, or does not succeed, the complainant may request that the Response Team institute formal proceedings which shall include the following steps:

- The Response Team shall advise the Pastor and Consistory President of the receipt of all complaints and shall keep them apprised of ongoing steps and actions taken. If either the Pastor or Consistory President is the subject of the complaint, this notice requirement shall not apply as to that person.

- The Response Team shall gather statements or other information from the individuals involved in the alleged exploitation or harassment and from others who may have pertinent information, such as qualified professional consultants, and present

such information to the Consistory or an appropriate subcommittee thereof.

- The Consistory, or an appropriate subcommittee thereof, shall make determinations and take actions appropriate to resolve the matter. These may include:

- a. finding that sexual exploitation or harassment has occurred, and that the appropriate body of the church is called upon to take action accordingly; such action may include one or more of the following:

- (i) a formal reprimand, with defined expectations for changed behavior;

- (ii) recommending or requiring psychological or psychiatric assessment, counseling and/or treatment;

- (iii) probationary standing, with the terms of the probation clearly defined;

- (iv) dismissal from employment or authorized volunteer position by, affiliation with, or membership in, the church.

- b. finding that sexual exploitation or harassment did not occur.

- The Response Team may seek the advice of legal counsel or others to advise it in performing its functions.

C. A written summary of the proceedings of the Consistory or appropriate subcommittee in such cases will be maintained.

D. The person(s) toward whom the inappropriate behavior is directed need not be the complainant. Moreover, neither consent nor acquiescence will excuse or exonerate inappropriate behavior. At any time the church may initiate or proceed with the formal complaint process.

E. In determining whether alleged conduct constitutes sexual harassment or exploitation, consideration shall be given to the record of the alleged incident(s) as a whole and to the totality of the circumstances, including the context in which the alleged incident(s) occurred.

F. Any person bringing a sexual harassment or exploitation complaint or assisting in investigating such a complaint will not be adversely affected in terms and conditions of employment or church membership or affiliation, or otherwise discriminated against or discharged.

II. Child Abuse

Apart from any legal requirements, the Trinity Christian United Church of Christ will make a report to appropriate authorities, including but not limited to the Pennsylvania Department of Children and Family Services, if at any time the church has reasonable cause to believe that a minor may be an abused or neglected child. Any Minister of the church who becomes aware of facts or circumstances that child abuse or neglect has occurred or that there exists a substantial risk that child abuse or neglect may occur in the reasonably foreseeable future shall immediately report the matter to the Pastor and President of Consistory so that the church may take appropriate action in a timely manner. The Pennsylvania Child Abuse Hotline currently is: 1-800-932-0313. It's web address is www.compass.state.pa.us/cwis.

III. Clergy

Apart from any disposition of the matter by the church, all allegations of behavior which call into question the fitness for ministry of the Pastor will promptly be forwarded to the Church & Ministry Committee of the Pennsylvania Southeast Conference of the United Church of Christ.

The Pennsylvania Southeast Conference may be contacted at: 484-949-8774.

FUTURE CHANGES TO THIS MANUAL

Changes to any of the content regarding the recruitment policy (beginning on page 5), use of the property by outside groups (beginning on page 7), the code of behavior (beginning on page 8), or any of the content in the Appendix can be amended by Consistory after consultation with the appropriate committee of the church (Christian Education or Property). Changes in other content will require action at a Congregational Meeting with two weeks advance notice of such changes.

Letter to Outside, Non-church Groups Requesting Use of Church Property

Trinity Christian UCC
Box 538
Skippack, PA 19474

[name/address of requesting group]

[date]

Dear [_____]

In 2014 the Pennsylvania legislature passed bill HB 435-PA, the PA Child Abuse Law, and subsequently has enacted additional legislation regarding the collection of appropriate clearances for adult volunteers and employees who provide leadership and oversee activities with minors. Not surprisingly, Trinity Christian UCC in Skippack is required to conform to the dictates of the law, given our work with children in our Sunday school, Nursery, etc. We have an ongoing procedure in place to make sure our volunteers and employees obtain the required clearances mandated by the state laws.

We have also received information from our denomination's local conference and our insurance board requires that outside groups meeting on our property must also be in compliance with state law. To that end, we need to have written documentation on file in our church office regarding [__group_____].

If your group includes training, leadership, or activities for children or youth (any minor below the age of 18) you are required to conform to the dictates of the state law in order to hold your meetings at Trinity. If such is the case, we need a letter from you as leader of the group confirming that all of your adults who are in attendance and working with the children hold the appropriate clearances as required by state law.

On the other hand, if you provide no activities which involve minors and if no minors are present when your group meets, then we require a letter from you confirming these two facts. (Note: If minors are in attendance and are under the care of adults, these individuals are subject to the state law and your group falls into the category described in the previous paragraph.)

Under no circumstance are minors permitted to be present and not attended to by a responsible adult.

You might be interested in looking at the information our conference provides. This can be found at <https://psec.org/resources/safe-church-child-abuse-clearances-resources/>.

If you wish to call me, I can be reached at 610-584-6448.

PENNSYLVANIA DEPARTMENT OF HUMAN SERVICES

Mandated Reporter Frequently Asked Questions

What is the Child Protective Services Law (CPSL)?

The PA Child Protective Services Law (CPSL) was signed into law in 1975. It was enacted to protect children from abuse, allow the opportunity for healthy growth and development, and, whenever possible, preserve and stabilize the family.

What is child abuse?

Child abuse, according to the CPSL, means intentionally, knowingly or recklessly doing any of the following:

- Causing bodily injury to a child through any recent act or failure to act.
- Fabricating, feigning or intentionally exaggerating or inducing a medical symptom or disease which results in a potentially harmful medical evaluation or treatment to the child through any recent act.
- Causing or substantially contributing to serious mental injury to a child through any act or failure to act or a series of such acts or failures to act.
- Causing sexual abuse or exploitation of a child through any act or failure to act.
- Creating a reasonable likelihood of bodily injury to a child through any recent act or failure to act.
- Creating a likelihood of sexual abuse or exploitation of a child through any recent act or failure to act.
- Causing serious physical neglect of a child.
- Causing the death of the child through any act or failure to act.

Child abuse also includes certain acts in which the act itself constitutes abuse without any resulting injury or condition. These recent acts include any of the following:

- Kicking, biting, throwing, burning, stabbing or cutting a child in a manner that endangers the child.
- Unreasonably restraining or confining a child, based on consideration of the method, location or the duration of the restraint or confinement.
- Forcefully shaking a child under one year of age.
- Forcefully slapping or otherwise striking a child under one year of age.
- Interfering with the breathing of a child.
- Causing a child to be present during the operation of a methamphetamine laboratory, provided that the violation is being investigated by law enforcement.

- Leaving a child unsupervised with an individual, other than the child's parent, who the parent knows or reasonably should have known was required to register as a Tier II or III sexual offender or has been determined to be a sexually violent predator or sexually violent delinquent.

"Recent" is defined as an abusive act within two years from the date the report is made to ChildLine. Sexual abuse, serious mental injury, serious physical neglect and deaths have no time limit.

Who can be a perpetrator?

A perpetrator of child abuse can be a:

- child's parent,
- spouse or former spouse of the parent,
- paramour or former paramour of the parent,
- person 14 years of age or older responsible for the welfare of a child or having direct contact with children as an employee of child-care services, a school or through a program, activity or service such as a baby sitter or day care staff person,
- individual residing in the same home as the child who is at least 14 years of age, or
- relative who is 18 years of age or older who does not reside in the same home as the child, but is related within the third degree of consanguinity or affinity by birth or adoption to the child.

A perpetrator of child abuse for failure to act can be a:

- child's parent,
- spouse or former spouse of the parent,
- paramour or former paramour of the parent,
- person 18 years of age or older who is responsible for the child's welfare or who resides in the same home as the child.

Mandated reporters do not have to determine whether or not the person meets the definition of perpetrator in order to make the report.

Who is a mandated reporter?

The following adults are considered mandated reporters and are required to report suspected child abuse if they have reasonable cause to suspect that a child is a victim of child abuse:

- A person licensed or certified to practice in any health-related field under the jurisdiction of the Department of State.
- A medical examiner, coroner or funeral director.
- An employee of a health care facility or provider licensed by the Department of Health, who is engaged in the admission, examination, care or treatment of individuals.
- A school employee.
- An employee of a child-care service who has direct contact with children in the course of employment.

- A clergyman, priest, rabbi, minister, Christian Science practitioner, religious healer or spiritual leader of any regularly established church or other religious organization.
- An individual paid or unpaid, who, on the basis of the individual's role as an integral part of a regularly scheduled program, activity or service, is a person responsible for the child's welfare or has direct contact with children.
- An employee of a social services agency who has direct contact with children in the course of employment.
- A peace officer or law enforcement official.
- An emergency medical services provider certified by the Department of Health.
- An employee of a public library who has direct contact with children in the course of employment.
- An individual supervised or managed by a person listed above, who has direct contact with children in the course of employment.
- An independent contractor who has direct contact with children.
- An attorney affiliated with an agency, institution, organization or other entity, including a school or regularly established religious organization that is responsible for the care, supervision, guidance or control of children.
- A foster parent.
- An adult family member who is a person responsible for the child's welfare and provides services to a child in a family living home, community home for individuals with an intellectual disability or host home for children which are subject to supervision or licensure by the department under Articles IX and X of the Public Welfare Code.

When must mandated reporters make a report?

Mandated reporters are required to make a report of suspected child abuse if they have reasonable cause to suspect that a child is a victim of child abuse under any of the following circumstances:

- They come into contact with the child in the course of employment, occupation and practice of a profession or through a regularly scheduled program, activity or service.
- They are directly responsible for the care, supervision, guidance or training of the child, or are affiliated with an agency, institution, organization, school, regularly established church or religious organization or other entity that is directly responsible for the care, supervision, guidance or training of the child.
- A person makes a specific disclosure to the mandated reporter that an identifiable child is the victim of child abuse.
- An individual 14 years of age or older makes a specific disclosure to the mandated reporter that the individual has committed child abuse.

It is not required that the child come before the mandated reporter in order to make a report of suspected child abuse nor are they required to identify the person responsible for the child abuse to make a report of suspected child abuse.

What if a mandated reporter has general concerns about a child, but does not suspect abuse?

Concerns related to the safety of children including, but not limited to inadequate housing, clothing and supervision, can be referred to ChildLine or the county children and youth agency for assessment as general protective services cases.

How do mandated reporters make a report of suspected child abuse?

Mandated reporters must make an immediate and direct report of suspected child abuse to ChildLine either electronically at www.compass.state.pa.usl.cwis or by calling 1-800-932-0313.

Does anyone within my institution, school, facility or agency need to be notified after a report is made?

After making the report to ChildLine, mandated reporters are required to immediately thereafter notify the person in charge of the institution, school, facility or agency or the designated agent of the person in charge.

What else must be done after making a report to ChildLine?

If an oral report was made to ChildLine, a report of suspected child abuse (CY 47) must also be completed and forwarded to the county children and youth agency within 48 hours after making the report. This form can be obtained at www.KeepKidsSafe.pa.gov or from the children and youth agency. If a report is made electronically, no CY-47 is required to be completed.

Does a mandated reporter have to know for sure that the child was abused?

A mandated reporter is responsible to make the report when they suspect a child is a victim of abuse.

Are mandated reporters required to report when they learn of the abuse from someone other than the child who was allegedly abused?

Nothing requires a child to come before the mandated reporter in order to make a report.

Must a mandated reporter give their name?

The law requires that the mandated reporter identify themselves and where they can be reached. This information is helpful so that if clarification on the situation or additional information is needed, the children and youth caseworker can contact the mandated reporter.

Will the name of the mandated reporter be released?

The identity of the person making the report is kept confidential with the exception of being released to law enforcement officials or the district attorney's office.

What if a mandated reporter fails to follow the law?

The penalties for a mandated reporter who willfully fails to report child abuse range from a misdemeanor of second degree to a felony of the second degree.

Will a mandated reporter have to testify in court?

Mandated reporters may be required to testify in a civil or criminal court case, including a juvenile or criminal court proceeding.

What happens after a report is made?

ChildLine forwards the report of suspected child abuse to the local county children and youth agency, which investigates the report to determine if the allegations can be substantiated as child abuse/neglect and also arranges for or provides the services that are needed to prevent the further maltreatment of the child and to preserve the family unit.

The county children and youth agency must begin an investigation within 24 hours. A thorough inquiry is conducted to determine if the child was abused and what services are appropriate for the child and family. This must be completed within 30 days unless the agency provides justification as to why the investigation cannot be completed, including attempts being made to obtain medical records or interview subjects of the report.

If the alleged perpetrator named in the report does not meet the definition of perpetrator under the CPSL, but does suggest the need for investigation, ChildLine will forward the information to the district attorney's office in the respective county.

How does a mandated reporter learn what happened on the report they made and what the agency is doing to protect the child from further abuse?

Mandated reporters will receive information from the Department regarding the final status of the report, whether it was unfounded, indicated or founded, and the services planned or provided to protect the child.

What will be done for the child?

Pennsylvania is committed to advancing child protection policies and practices that, when possible, keep children safely in their own homes connected to nurturing and protective adults. Under Pennsylvania law, it is the responsibility of the county children and youth agency to investigate reports

of child abuse and neglect or assess a family for General Protective Services. County children and youth agencies, in partnership with families and community-based agencies, strive to provide services to prevent any further abuse of the child and to ensure the child's well-being and healthy development. The county agency and its partners work to strengthen the child's family toward breaking the cycle of abuse and to preserve the family, whenever possible. Should the child be found to be in danger of continued harm, the county agency may petition the court to have the child removed from the home with ongoing court monitoring to determine if the child can safely be reunited with his/her family.
